UNIVERSITY OF
BELGRADE

STUDY PROGRAM FOR WHICH A CALL HAS BEEN ANNOUNCED:

Doctoral academic studies:

Mechanical Engineering in English language (180 ECTS)

NUMBER OF STUDENTS:

Five students are enrolled in the doctoral academic study program Mechanical Engineering in English language, and they pay tuition fees.

CONDITIONS:

The right to apply for the Call is granted to a person who has completed studies at one of the faculties of technical and technological sciences, who has knowledge of the English language and has:

1. completed undergraduate academic and master academic studies, or integrated academic studies with at least 300 ECTS credits, or completed at least four-year studies according to the regulations that were in force before the entry into force of the Law on Higher Education ("Official Gazette of the Republic of Serbia", No. 76/05, 100/07 - authentic interpretation, 97/08, 44/10, 93/12, 89/13, 99/14, 45/15 - authentic interpretation, 68/15 and 87/16) and an overall average grade of at least 8 (eight) in undergraduate academic and master academic studies, or integrated academic studies or
2. completed undergraduate academic and master academic studies, i.e. integrated academic studies, with at least 300 ECTS credits with an average grade of less than 8 (eight) and published scientific papers in journals from the list of the relevant ministry before enrolling in doctoral studies that supplement the number of points to the number of points corresponding to the average grade of 8 (eight), in accordance with Article 11 of the Regulations on Doctoral Studies at the University of Belgrade - Faculty of Mechanical Engineering
3. academic title of Master of Science in the field of technical and technological sciences, according to the regulations that were in force until the adoption of the Law on Higher Education ("Official Gazette of the Republic of Serbia" No. 76/05, 100/07 - authentic interpretation, 97/08, 44/10, 93/12, 89/13, 99/14, 45/15 - authentic interpretation, 68/15 and 87/16).

A person who has completed studies at a faculty other than those in the field of technical and technological sciences may also enroll in doctoral academic studies, under the same conditions as defined in the previous paragraph, provided that he/she passes three qualification tests in the field of mechanics, thermodynamics and fluid mechanics within the examination dates published on the Faculty's website. This person applies for the call and is ranked in the same way as other candidates.

To enroll in the study program Mechanical Engineering in English, the candidate must have knowledge of English at the upper intermediate level - B2 according to the Common European Framework of Reference for Languages, which is proven by an appropriate certificate for the level of language competence or by completed previous education in English.

CRITERIA FOR DETERMINING THE ORDER OF CANDIDATES:

The order of candidates for admission to doctoral studies is determined based on the average grade and length of study at previous degrees in accordance with the Regulations on Doctoral Studies at the University of Belgrade - Faculty of Mechanical Engineering.

[Regulations on Doctoral Studies](#)

TUITION FEE:

The tuition fee for doctoral studies in Mechanical Engineering in English for citizens of the Republic of Serbia and foreign citizens is 10,000.00 euros per academic year.
