**UNIVERSITY OF
BELGRADE**

STUDY PROGRAMME FOR WHICH A CALL HAS BEEN ANNOUNCED:

Undergraduate academic studies:

- Mechanical Engineering in English (180 ECTS)

NUMBER OF VACANCIES FOR STUDENTS:

10 self-financing students are enrolling in the Mechanical Engineering study program in English.

CONDITIONS:

A person with a four-year secondary education can enroll in the first year of undergraduate academic studies implemented by the University or Faculty.

To enroll in the study program Mechanical Engineering in English, the candidate must know English at the upper intermediate level - B2 according to the Common European Framework of Reference for Languages, which is proven by an appropriate certificate for the level of language competence or by completing secondary school education in English.

CRITERIA FOR DETERMINING THE ORDER OF CANDIDATES:

The order of candidates for enrollment in the first year is determined based on the overall success achieved in secondary education and the results achieved in the entrance exam.

A candidate for enrollment in a study program can achieve a maximum of 100 points, based on the overall success in secondary school and the results achieved in the entrance exam.

The overall success in secondary school is understood as the sum of the average grades in each grade of secondary school multiplied by two. On this basis, a candidate can earn a minimum of 16 and a maximum of 40 points. The overall success in secondary school is calculated by rounding to two decimal places.

In the entrance exam, a candidate can earn from 0 to 60 points.

Candidates who won one of the first three prizes in a national or international competition from the competition calendar of the Ministry of Education in the subject of Mathematics in the third or fourth grade of secondary school are awarded the maximum number of points in the entrance exam.

ENTRANCE EXAM:

Candidates who have applied for enrollment in undergraduate academic studies take an entrance exam in Mathematics.

TUITION FEE:

Tuition fee for the **undergraduate academic studies in** Mechanical Engineering study program in English for citizens of the Republic of Serbia and foreign citizens: 5,000.00 euros per academic year.
